Dacia's Affirmation

I'm the Delightful, Daring, Determined, Diligent Dacia Wiegandt. I'm a child of God and proud wife and mom!

I'm great with balancing being a wife, mom, and Executive of my business. I'm in the moment in all I do. I'm listening and taking in all that the person in front of me is saying. I give my heart and soul to all I do.

I wake up early, start my day with prayer, and I'm on time every where I go.

My PASSION is contagious and everyone wants to be lead by me and be in my area!

I will offspring 10 NEW first line directors this year! Women flock to me that are hard workers, self-motivated, wanting to make a difference; they're filled with integrity, and have a heart for women.

We will have 13 NEW Cadillac drivers in our area this year!

Our area is growing all over the United States!

I'm a Inner-Circle Sr. National Sales Director. I'm #3 out of the Emerald division and I consistently bring home \$40,000 a month!

I give God the glory for all I do and know without him as my business partner nothing is possible but with him everything is possible!
